CATCH BASIN SINGLE COVERS NOR

### 1. Unique identification code of the product

CSL(20-55)-01 SINGLE COVERS NOR

### 2. Product identification

As it is attested by the production batch engraved on the product or labels placed on packaging.

### 3. Intended usage

Simple covers for use to cover catch basins and inspection chambers of both TOP and SUPER type basins. These single covers have a simple design, a good resistance to the atmospheric agents with excellent value for money. Covers are made from Stabilized Polypropylene Copolymer with anti UV. Covers combined with gaskets can assure waterproof collecting of rainwaters with the basins. Support only moderate light load.
